### About Inspiration Healthcare

Inspiration Healthcare (AIM: IHC) is a global provider of medical technology for use in critical care & operating theatres. The Company provides high quality innovative products to patients around the world which help to improve patient outcomes and it actively invests in innovative product opportunities and disruptive technologies.

Through investment in research and development the Company has 6 key own brand products that can be used within the first 6 hours of life to help premature and sick babies; helping with assessment, resuscitation, stabilisation as well as preventing brain damage. Additionally the company has its own range of products for maintaining normothermia pre- during and post-surgery.

With product availability extending to over 50 countries through a distribution network, Inspiration Healthcare's success has been built on continuous innovation, excellent customer service and an inherent commitment to improving patient outcomes, working in close collaboration with key opinion leaders across the globe.

In the UK and Ireland the Company has a direct sales team selling Inspiration Branded and complementary products from third parties, with an additional range of home healthcare products. This is supported by Technical Support for planned preventative maintenance and emergency assistance.
