

TERMS OF REFERENCE OF THE REMUNERATION COMMITTEE OF INSPIRATION HEALTHCARE GROUP PLC ("the Committee")

1. MEMBERSHIP AND QUORUM

- 1.1 The board shall appoint the Committee chair who shall be an independent non-executive director. In the absence of the Committee chair and/or an appointed deputy, the remaining members present shall elect one of themselves to chair the meeting who would qualify under these terms of reference to be appointed to that position by the board. The chair of the board shall not be chair of the Committee.
- 1.2 The members of the Committee shall be appointed by the board of directors on the recommendation of the nomination committee and in consultation with the chair of the remuneration committee. All members of the Committee should be independent non-executive directors. Appointments to the Committee shall be for periods of up to three years, which may be extended for no more than two additional three-year periods provided the members continue to be independent.
- 1.3 The Committee shall have at least two members, all of whom shall be independent non-executive directors. The chair of the board of directors may also serve on the Committee as an additional member, but not the chair the Committee, if he or she was considered independent on appointment as chair.
- 1.4 A quorum shall be any two members of the Committee. The members of the Committee can be varied at any time by a majority resolution of the existing members of the Committee save that any additional appointment must still be an independent non-executive director.

2. DUTIES AND TERMS OF REFERENCE

- 2.1 The Committee shall determine and agree with the board the framework or broad policy for the remuneration of the company's chair and the executive directors including pension rights and compensation payments. The remuneration of non-executive directors shall be a matter for the executive members of the board or the shareholders (within the limits set in the articles of association). No director or senior manager shall be involved in any decisions as to their own remuneration. The Committee shall recommend and monitor the level and structure of remuneration for senior management.
- 2.2 In determining such policy, the Committee shall take into account all factors which it deems necessary including relevant legal and regulatory requirements and the provisions and recommendations of relevant guidance. The objective of such policy shall be to attract, retain and motivate the executive management of the Company through fair and attractive packages without paying more than necessary and to support the delivery of business objectives in the short, medium and long-term. The remuneration policy should bear in mind the Company's appetite for risk (and encourage executives to operate within its risk parameters) and align the interests of the executive team with the interests of long-term shareholders as well as to the

Company's own long term strategic goals. A significant proportion of remuneration should be structured so as to link rewards to corporate and individual performance and be designed to promote the long-term success of the Company.

- 2.3 When setting remuneration policy for directors, the Committee shall review and have regard to the pay and employment conditions across the company or group, especially when determining salary increases.
- 2.4 The Committee shall review the ongoing appropriateness and relevance of the remuneration policy.
- 2.5 The Committee shall be made aware of and kept informed of the design of any performance related pay schemes operated by the company.
- 2.6 The Committee shall review the design of all share incentive plans for approval by the board and shareholders. For any such plans, determine each year whether awards will be made, and if so, the overall amount of such awards, the individual awards to executive directors, Company Secretary and other senior executives and the performance targets to be used.
- 2.7 The Committee shall ratify the policy for, and scope of, pension arrangements for each executive director and other senior executives.
- 2.8 Within the terms of the agreed policy and in consultation with the Chair and/or Chief Executive as appropriate, the Committee shall determine the total individual remuneration package of the chair, each executive director, the company secretary and other senior executives including bonuses, incentive payments and share options or other share awards.
- 2.9 The Committee shall:
- (a) ensure that contractual terms on termination and any payments made are fair to the individual and the Company; that failure is not rewarded and the duty to mitigate loss is fully recognised;
 - (b) oversee any major changes in employee benefits structures throughout the company or group; and
 - (c) agree the policy for authorising claims for expenses from the directors.
- 2.10 The Committee shall be exclusively responsible for establishing the selection criteria, selecting, appointing and setting the terms of reference for any remuneration consultants who advise the Committee.
- 2.11 The Committee shall obtain reliable, up-to-date information about remuneration in other companies of comparable scale. The Committee shall have full authority to appoint remuneration consultants and to commission or purchase any reports, surveys or information which it deems necessary to help it fulfil its obligations within any budgetary restraints imposed by the board; and

2.12 The Committee shall consider such other matters as may be requested by the board of directors and work and liaise as necessary with all other board committees.

3. VOTING ARRANGEMENTS

3.1 Each member of the Committee shall have one vote which may be cast on matters considered at the meeting. Votes can only be cast by members attending a meeting of the Committee.

3.2 If a matter that is considered by the Committee is one where a member of the Committee, either directly or indirectly has a personal interest, that member shall not be permitted to vote at the meeting.

3.3 Save where they have a personal interest, the chair will have a casting vote.

4. ATTENDANCE AT MEETINGS

4.1 The Committee will meet at least twice a year. The Committee may meet at other times during the year as required or as requested by any member of the Committee.

4.2 Only members of the Committee have the right to attend Committee meeting but other directors and external advisers may be invited to attend all or part of any meeting as and when appropriate.

4.3 The company secretary or their nominee shall be the secretary of the Committee and will ensure that the Committee receives information and papers in a timely manner to enable full and proper consideration to be given to the issues.

5. NOTICE OF MEETINGS

5.1 Meetings of the Committee shall be summoned by the secretary of the Committee at the request of any of the chair.

5.2 Unless otherwise agreed, notice of each meeting confirming the venue, time and date together with an agenda of the matters to be discussed at the meeting shall be forwarded to each member and any other person required to attend no later than three working days before the date of the meeting or as otherwise agreed by the members of the Committee. Any supporting papers shall be sent to each member of the Committee and to other attendees (as appropriate) at the same time where possible.

6. AUTHORITY

The Committee is authorised by the board of directors to examine any activity within its terms of reference and is authorised to obtain, at the company's expense, legal or professional advice on any matter within its terms of reference. A duly convened meeting of the Committee at which a quorum is present shall be competent to exercise all or any of the authorities, powers and discretions vested in or exercisable by the

Committee. The Committee is authorised to seek any information it requires from any employee or director, and all such employees or directors will be directed to co-operate with any request made by the Committee.

- 8.2 The Committee shall arrange for periodic reviews of its own performance and review its constitution and terms of reference to ensure it is operating at maximum effectiveness and recommend any changes it considers necessary to the board of directors for approval.
- 8.3 The Committee shall have access to sufficient resources in order to carry out its duties, including access to the Company Secretary for assistance as required and be provided with appropriate and timely training, both in the form of an induction programme for new members and on an on-going basis for all members
- 8.4 The Committee shall give due consideration to laws, regulations and any published guidelines or recommendations regarding the remuneration of directors of listed/non listed companies and formation and operation of share schemes as appropriate.
- 8.5 The Committee shall make whatever recommendations to the board it deems appropriate on any area within its remit where action or improvement is needed.

If the Committee has appointed remuneration consultants, the annual report of the company's remuneration policy should identify such consultants and state whether they have any other connection with the Company.

8.7 Through the chair of the board, ensure that the Company maintains contact as required with its principal shareholders about remuneration.
